Dear Guests,

This is a small list of recommendations and useful information for you. It is by no means an exhaustive list as there are too many places to eat, drink and sight-see than we could possibly put down.

Rather, this is a list of places that we enjoy and that our guests seem to like.

We find that our guests like to discover things themselves. After all, is that not a great part of the joy of traveling? To discover new experiences and places.

Just click on the underlined letters (link) to see information concerning whatever you are reading.

We wish you a wonderful stay, and we hope you love Athens!

Lucy & Andreas
